AGE SPOT & SKIN BRIGHTENING WHITE SERUM

Age Spots?
Uneven Skin Tone?

ANTI-DARK SPOTS COMPLEX WITH MULBERRY EXTRACT

1. Age Spot application study, paragraph 18E1457, carried out in 2018 on behalf of Swissforce Pharma AG.

Balancing care for pigmentation irregularities. The Age Spot Serum helps to brighten the epidermis and reduces the appearance of pigmentation disorders such as, age spots, dark or brown spots and other uneven skin tone in combination with UV protection during sun exposure. The unique blend formulated with natural ingredients prevents future pigment formation whilst the skin appears clearer and brighter.
